and Care of Children

**Young Professionals Board
Candidate Application**

First Name: _____ Last Name: _____

Home Address: _____

Phone: _____ Email: _____

Employer: _____

Title: _____

Type of business or organization: _____

Please provide examples of any prior volunteer or board experience. (business, civic, community, fraternal, political, professional, recreational, religious, or social)

Can you share with us why you are interested in serving on SPCC's YP board?

What specific skills or expertise would you bring to our board (e.g., fundraising, marketing, financial management, etc.)?

Do you have the time to commit to attending quarterly, in-person meetings as well as attendance at 2-3 fundraising events throughout the year?

SPCC
Society for the Protection
and Care of Children

Young Professionals Board Expectations

- The Young Professionals Board (YPB) meets quarterly for in-person meetings, with occasional email collaboration in between. Participation is integral and encouraged. We ask that board members attend all or most meetings. Advance notice of meeting location and time will be provided.
- We ask that board members familiarize themselves with SPCC's programs and services, as well as the mission and values, so that they may speak articulately about SPCC and represent the organization in the community.
- YPB members are asked to volunteer at fundraising events throughout the year, as well as provide assistance with planning and debriefing afterward.
- Part of SPCC's development and marketing efforts are dependent on the growth of our social media platforms. We ask that YP Board members follow and "like" SPCC's pages, and share, comment on, and "like" new posts, as well as promote SPCC's annual fundraising events within their professional and personal circles.
- New members are welcome and encouraged to apply. Please consider friends and colleagues you may have that would be interested in SPCC, and specifically in the Young Professionals Board. Interested applicants are welcome to join for a meeting or event to learn more!
